

FOXWORTHY BEACON RIDING CLUB

NEWSLETTER – AUGUST 2008

Welcome to this month's newsletter!

The committee have been working very hard over the last few months to develop the club's communication with members as well as to increase the amount of clinics and competitions that are being run for you! The main outcome is that we finally have a **WEBSITE!!!!**

Go to www.fbrc.org.uk and check out all that is on offer. There is a diary and a photo gallery as well as other useful sections. There is a link to download membership forms, and shortly you will be able to download booking forms and entry forms for clinics and competitions. Please use the site, and check it regularly for changes and additions. If you have any comments about the site (good or bad), please let Emma know via email: fbrc_emma@orange.net

We have decided to include some events from other riding clubs on our website diary if they are open to all riding clubs. The first one is a fun team jumping competition held at Widegates near Looe. It is open to all abilities with teams of four riders able to jump 2'3" upwards. If you are interested, please let Steph Lockett know (07789) 814960.

STOP PRESS

XC clinic has been organised for 10th August!!! See Emma for details.

Diary dates are on the next page.

Included with this newsletter are some [booking forms](#) for you to use – hopefully they will make life easier for all concerned. Please use them if at all possible when booking a clinic. More forms can be found on the website:

Recent events:

The latest Sarah Prew clinic was very successful with riders developing their dressage talents and ability to remember a test! It's always useful to ride a test in front of a judge without the pressure of being a competition, and all riders came away having achieved improvement in their second tests. Keep your eyes on the diary for the next clinic!

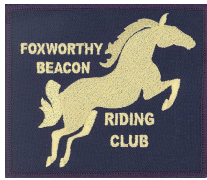

Caroline Booker's and Ali Mill's clinics are proving to be very popular, with few spaces left available on them. If you want to take part in any clinics, book as early as you can in order to reserve your slot!

Christmas Social (WHAT???)

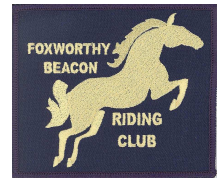

ABBA REVIVAL!!!!

I know the summer holidays have only just started, but we need to organise this as soon as possible to make sure we get places.

Check out the attached sheet for details and price. I hope you'll agree that this could be an excellent and entertaining evening, and that it will make you want to dust off your dancing shoes and dig out those wigs and lycra body suits (I bet you've got one somewhere!)
